Is the IEP *confusing*?

Is it full of *jargon* you don't understand?

Are you certain something is *needed*, but you don't know *what*?

Get *clarity* and peace of mind with a review of the IEP- with recommendations and clear next steps.

#### **How it works:**

You provide a copy of the IEP

The whole document is reviewed

You receive a written critique tailored to your  
concerns and questions

#### **What you leave with:**

Clearer understanding of the plan

Concrete next steps before your  
next meeting

Confidence that the student's  
needs are being met and supported

*Most of all – the knowledge that you are your student's biggest advocate  
Because safety is the highest form of love*
